**RE:** Design and Construction of SR-73: Redwood Road to Ranches Parkway

Dear Mark Edwards,

Improvements are being planned for a segment of State Road 73, from Redwood Road westward toward Ranches Parkway. The Utah Department of Transportation (UDOT) has selected Forsgren Associates to develop construction plans and contract documents for the project. As an adjacent landowner, or other interested party or stakeholder, we invite your input during the plan development stages of the project.

The project will be completed as part of UDOT's "Lane Gain" campaign. Its purpose is to add capacity, reduce congestion, and improve safety within the appointed project limits. Construction is expected this summer. As the design progresses, up to date plans can be viewed at:

- UDOT's Region 3 office - 658 North 1500 West in Orem, or
- Forsgren Associates Salt Lake office - 370 East 500 South

The project will seek to rehabilitate existing pavement involving rotomill operations, pavement overlay, upgrade safety widenings and barrier, and associated improvements between mileposts MP 35.433 (11600 West, aka. 800 West in Saratoga Springs) to MP 36.429 (Redwood Road).

Every effort is being made to fully utilize existing public rights-of-way and minimize impacts to adjacent properties. Particular attention is being paid to protecting existing accesses, property fencing and irrigation amenities. Minimal adjustments to utility company facilities now located within existing public rights-of-way are anticipated.

If you have specific concerns that you would like to see addressed, please contact the following at (801) 364.4785:

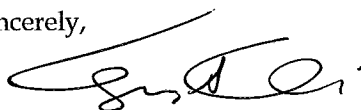

- Jesse Anderson, P.E., Forsgren Project Engineer,
- George Deneris, P.E., Forsgren Project Manager, or
- Tara Barnes, Forsgren Public Involvement Coordinator

Written comments with detailed explanations of your concerns should be addressed to:

ATTN: Jesse Anderson, P.E.  
Forsgren Associates, Inc.  
370 East 500 South, #200  
Salt Lake City, UT 84111  
Or via e-mail at [JAnderson@Forsgren.com](mailto:JAnderson@Forsgren.com)

Email updates will be sent to you as significant project details change. Thank you for your participation.

Sincerely,

George A. Deneris, P.E.  
Project Manager
