EMPLOYMENT OPPORTUNITY

PART-TIME HUMAN RESOURCES/PAYROLL CLERK

The City of Saratoga Springs has an opening for a part-time Human Resources/Payroll Clerk. Duties include preparing and processing payroll every other week, administering the City's benefits program, making changes to employee benefits, answering employee questions regarding their benefits, preparing monthly and year end reports, completing employment verifications, providing new employee orientations, and other various human resources duties as may be assigned.

The ideal candidate will have a high school diploma and 1-3 years experience in payroll and/or human resource functions; however, we are willing to train anyone who has strong experience in an administrative assistant or general office function. This is a part-time position, working approximately 20 hours per week. No benefits are offered as part of this position. The schedule for this position is flexible. This position will work Monday through Thursday and the hours each day are flexible. The anticipated wage is \$12-14 per hour depending upon experience.

To apply, please submit an application to City of Saratoga Springs, 1307 N Commerce Dr., Suite 200, Saratoga Springs, UT 84045. Phone: (801) 766-9793 Fax: (801) 766-9794. Applications are available at www.saratoga-springs.net. This position closes on Friday, October 23, 2009.

EMERGENCY PREPAREDNESS

Were you stranded in your car February 13th, 2008 when the snow was coming down sideways? We'll tell you the four things EVERY car in Saratoga Springs should carry. This and other important emergency preparedness tips are discussed in our Neighborhood Watch/Outreach meetings. We also cover home security and personal safety. To become a block captain or to learn more, contact Don Markham at (801) 420-6326 or saratogaoutreach@gmail.com.

CALLING ALL TRIATHLETES!

We would like to try something new for the 2010 Saratoga Splash-- the City's first triathlon race! Because the city's annual 5K races have been so successful, we would like to organize a triathlon for our residents. In order to get a successful course planned and to have as much input as possible, we are requesting volunteers to serve on a triathlon committee. The idea is to get as many people involved as we can so that no one is burdened with too much of a time commitment. If you are interested in serving on this committee, please call Natasha Hodder at 801-766-5337. In addition, if you have a comment regarding the triathlon idea and/or you would like to request that the City continue with the 5K race *in addition to* the triathlon, please email Natasha at rnhodder@q.com.

REMINDER ABOUT PRESSURIZED IRRIGATION WATER

It's that time of year again. Those residents with Pressurized Irrigation please leave your individual shut-off valves in the "open" position to allow for proper drainage of the system. The City will be winterizing the system around October 15th. After that date, the system will be deactivated until spring. Each irrigation system must be completely drained to prevent damage to the system components caused by water freezing inside the pipes, sprinklers, and valves. If you have any further questions, please contact the Public Works Department at 801-766-6506.

LANDFILL FIRE UPDATE

The Department of Environmental Quality (DEQ) will be at city hall on October 13th from 4:00 to 6:30 PM to answer questions about the landfill fire close to the Saratoga Hills subdivision. They will also provide a briefing to the City Council at 6:30 PM.

UPCOMING CIVIC EVENTS

On Saturday October 24th from 12-4 PM there will be a Harvest Festival held at Harvest Hills Park. For those willing to put their culinary skills to the test, there will be a chili cook off and first prize is \$100. Registration and rules for the cook off can be found on the city's website. Children 12 and under can come dressed up for the costume contest, and there will be a pumpkin carving contest open to all ages. The afternoon event will also include live entertainment, booths by all local school PTA's and clubs, as well as a hot dog lunch sold by the civic events committee.

The committee is also working on plans for the first ever Christmas tree lighting on Monday, November 30th. More details will come as the activity gets closer. Events further in the future include an Easter Egg Hunt, the first Miss Saratoga Springs Pageant, and of course Saratoga Splash 2010.

In an effort to raise money for city events, the civic events committee will also be putting out a cookbook comprised of recipes from local citizens, businesses, and city leaders. Submissions will be taken through February 2010. Submissions can be made at www.typensave.com, the group login is sscivicevents and the password is [cookbook](http://www.typensave.com). The committee would like to collect 500 recipes of all varieties. The cookbooks will be available for purchase at the 2010 Saratoga Splash.

More information can also be obtained by contacting the committee by email at sscivicevents@yahoo.com, blog at sscivicevents.blogspot.com or on Facebook.

MESSAGE FROM CAMP WILLIAMS

The Utah National Guard (UTNG) is launching an effort to investigate if old munitions may be present on lands that were once used for training at Camp Williams. These areas may now be located just outside the current installation boundary. Six areas are being investigated in conjunction with this effort, including one area located near Saratoga Springs. The 20 acre site is located along the southeastern border of the installation.

In conjunction with the start of this project, the UTNG will host an informational open house to inform local residents about the upcoming investigation and cleanup. The open house will be held October 22, 2009 from 6 to 8 p.m. at Fort Herriman Middle School located at 14058 Mirabella Drive, in Herriman. The meeting is an "Open House" format, meaning attendees are welcome to come at any time between 6 and 8 and stay as long as they would like. Residents are encouraged to attend the meeting to receive more information about the investigation and cleanup and to learn about ways they can stay informed. Please contact Melissa Porter, the project community relations contractor, at 801-825-3570 if you have questions.
